### 01. ACCESS THE RESOURCES

Sign up and access the My Map, My World portal to find helpful teaching resources and professional learning tools to get you started.

2

### 02. TEACH MAPPING CONVENTIONS

Help your students learn the basics of good map making. Classroom Mapping Essentials (in the portal) has great tips on teaching mapping conventions.

3

### 03. STUDENTS CREATE MAPS

Support students as they choose what to map and how to do it. Whether it's hand-drawn or digital, the key is remembering to include BOLTSS.

4

### 04. SUBMIT ENTRIES

Pick your top 5 maps and submit them by the due date for a chance to win a \$100 class party voucher and a 12-month She Maps Membership.
